

Membership Form

Mitziut is an independent, non-denominational Jewish spiritual community. We are a safe, non-judgmental, take-off-your-shoes-if-you-like community with a diverse group of good people, where all who accept our values and vision are welcomed and accepted regardless of knowledge and experience of Judaism. We encourage membership for individuals and families who enjoy what the Mitziut Jewish Community has to offer.

MEMBERSHIP PARTICIPATION INFORMATION

Membership in Mitziut is about wanting to participate in a community and assisting in bringing the vision into REALITY(Mitziut). Membership is not strictly dependent on financial support, We encourage and expect members to give in the following ways:

1. Time: set up/clean up at Mitziut events, hanging fliers, sitting on a council, etc

Suggestion—four hours/month

2. In-kind: Donation of equipment and supplies or professional services for which one usually charges, including web design, legal and other professional services and office equipment, plate and cups and other supplies. A list will be maintained letting people know current needs.

Suggestion--This category is "as needed." When a need is identified members intend to give freely & generously.

3. Money: Money is needed to pay for goods and services not donated, salaries for Rabbi, Cantor, staff, etc.

Suggestion--Principles of the Jewish path (halacha) require each person to give 10% of their income to worthy causes. Members agree that the guideline of giving Mitziut 1% of their income as a membership donation, or 10% of charitable contributions, is appropriate. Members are free to give more or less.

The Mitziut Community understands that there are times in life when individuals have little ability to give, but seek the warmth and support of community. It is our value that members be allowed such time.
